

GCWCN-2018 No-Show Policy

Dear Authors,

Papers that are accepted must be presented at the conference, either by the authors themselves, or via proxy. In case a paper is not presented at the conference, it shall be deemed a “no-show.” and will not be available on IEEE Xplore. Exceptions to this policy will be made by the GCWCN-2018 Chairs only if there is evidence that the no-show occurred because of unanticipated events beyond the control of the authors, and that every option available to the authors to present the paper was exhausted.

Authors of no-show papers wishing to appeal for removal of the no-show status of their paper must appeal by email to the GCWCN-2018 Chairs no later than 5 days after the start of the Conference and must provide evidence to convincingly demonstrate that their absence was a result of forces beyond their will and control, or that an erroneous decision was made. Decisions on appeals will be made by the Chairs based on the supporting evidence provided. Failure to meet the appeals deadline will automatically result in rejection of the appeal.
